REF WA085, HK346 ON 7045 KHZ TRANSMITTER:

1. WE ARE NOW USING THE "UNIDENTIFIED TRANSMITTER" SOURCELINE AND SUBSLUG PER WA085, THOUGH WE DON'T GO ALONG WITH THE RATIONALE. WE AGREE THAT IT IS NOT YOUR REGULAR PUBLIC RADIO STATION, BUT THE BULK OF WHAT WE ARE MONITORING FROM IT IS CLEARLY INTENDED FOR IMMEDIATE PUBLIC DISSEMINATION. BASED ON SOME OF THE CHIT-CHAT WE HAVE HEARD (WHICH GENERALLY WE HAVE NOT FILED) IT IS OUR IMPRESSION THAT THE 7045 FREQUENCY IS BEING USED TO TRANSMIT NEWS AND REPORTS ON LATEST DEVELOPMENTS TO PUBLIC BROADCAST STATIONS THROUGHOUT THE PHILIPPINES. THIS WOULD BE INFORMATION WHICH REGIONAL STATIONS COULD THEN USE IN THEIR OWN BROADCASTS. SINCE MUCH OF THE REPORTING IS OBVIOUSLY INTENDED FOR THE LISTENING AUDIENCE IN GREATER MANILA, WE ALSO SUSPECT THAT THE SAME PROGRAMMING IS BEING BROADCAST SIMULTANEOUSLY IN GREATER MANILA ON A LOW-POWER MEDIUMWAVE STATION, POSSIBLY ONE OR SEVERAL OF THE FREQUENCIES PREVIOUSLY USED BY MBS. IT WOULD MAKE NO SENSE FOR THEM TO BE BROADCASTING APPEALS TO THE POPULACE OF MANILA ONLY ON THE 7045 888 FREQUENCY SINCE FEW LISTENERS WOULD BE ABLE TO HEAR IT. GIVEN THE FACT THAT THE PROGRAMMING IS OBVIOUSLY INTENDED FOR THE PUBLIC, WE THINK IT IS A DISSERVICE TO TREAT IT AS OVO MATERIAL.

2. THIS TRANSMITTER HAS NOW BEEN HEARD USING SEVERAL VARIATIONS OF THE SAME STATION NAME: VOICE OF THE PHILIPPINES, VOICE OF THE NEW PHILIPPINES, AND VOICE OF FREE PHILIPPINES. A STATION CALLING ITSELF "VOICE OF FREE PHILIPPINES" WAS ALSO HEARD BROADCASTING ON 915.3 KHZ ON THE 24TH, BUT HAS NOT BEEN HEARD SINCE (REF HK343). NOW THIS EVENING WE HAVE A STATION CALLING ITSELF "RADIO NG BAYAN (RADIO OF THE NATION)" ON 918 KHZ, A FOYMER MBS FREQUENCY. (SEE

HK260747, HK260814) TO FURTHER COMPLICATE MATTERS, WE NOW ALSO HAVE
"RADIO VERITAS" USING THE FACILITIES OF VOICE OF THE PHILIPPINES
(SEE 261024).

1

3. I SUGGEST, GIVEN THE CURRENT CONFUSION AND UNCERTAINTY ABOUT
THE NEW STATIONS AND NAMES THAT ARE APT TO SURFACE IN THE DAYS AHEAD,
THAT WE REPORT EACH NEW STATION WHICH PROVIDES A STATION
IDENTIFICATION AND USE THAT IDENTIFICATION IN A TENTATIVE SOURCELINE
ALONG WITH THE FREQUENCY IN A SUBSLUG. BUT HOLD OFF SEEKING FORMAL
MOD APPROVAL OF SOURCELINES UNTIL WE HAVE OBSERVED EACH STATION FOR
AWHILE AND FEEL THAT WE HAVE SOLID INFO TO CONFIRM THE SOURCELINE.
BY USING A TENTATIVE SOURCELINE WE LEAVE ROOM FOR LATER CHANGES IN
THE NAME SHOULD WE FEEL THAT IS NECESSARY. IF YOU DISAGREE
IMMEDIATELY WITH OUR TENTATIVE SOURCELINE, AS YOU DID ON 7045 KHZ,
THEN COME BACK TO US. BUT LET'S LEAVE ALL OF THEM TENTATIVE FOR THE
TIME BEING. WE'LL KEEP THE FREQUENCIES OUT OF THE SOURCELINES.

4. I REGRET THAT COPIES OF MANY OF THE FILED ITEMS FROM THE 7045
STATION, AS WELL AS SOME OTHERS, WERE NOT DROPPED TO MOD. EDITORIAL
HAS BEEN REMINDED TO DO SO, ESPECIALLY AT THIS TIME WHEN THE CONTENT
OF THE ITEMS CAN BE USEFUL IN HELPING MOD FORM AN OPINION ABOUT THE
STATION.

1. RADIO BROADCASTING OUT OF THE PHILIPPINES IS PRESENTLY VERY CONFUSING, AS YOU HAVE OBSERVED. THE ONLY KNOWN STATION WE ARE NOW HEARING CONSISTENTLY IS FEBC ON 6030 KHZ. WE HAVE NOT HEARD MBS ON ANY KNOWN FREQUENCIES SINCE EARLY YESTERDAY MORNING, AND RADIO VERITAS ALSO REMAINS INAUDIBLE ON ALL KNOWN FREQUENCIES.

2. THE MOST INTERESTING AND PRODUCTIVE OF THE "NEW" STATIONS HEARD SO FAR, AND THE ONLY ONE MONITORED WITH ANY CONSISTENCY, IS THE ONE BROADCASTING ON SINGLE-SIDEBAND ON 7045 KHZ. RECEPTION IS GENERALLY FAIR TO GOOD. THOUGH WE SUGGESTED YESTERDAY THE USE OF A "VOICE OF PHILIPPINES" SOURCELINE, (HK241718) WE ARE NOW USING THE TENTATIVE AND VERY UNWORRISWORTHY "MANILA 7045 KHZ IN (LANGUAGE)....." WE HAVE HEARD NO FURTHER POSITIVE IDENTIFICATION OF THIS STATION DURING OBSERVATIONS TODAY. PROGRAMMING IS CLEARLY ANTI-MARCOS, THOUGH LAST NIGHT IT DID RELAY ONE OF HIS STATEMENTS. AS ALREADY REPORTED, IT APPEARS TO BE SOME SORT OF NETWORK. THERE ARE USUALLY A COUPLE OF ANNOUNCERS CHATTING BACK AND FORTH, SOMETIMES WITH GUESTS OR CALLERS. THERE ARE FREQUENT CONTACTS WITH MOBILE UNITS AND OTHER LOCATIONS AROUND MANILA, INCLUDING CAMP CRAME. AS REPORTED BY OKINAWA CRUISING, THEY PERIODICALLY HOOKUP WITH CHANNEL 4 TELEVISION AND RELAY THEIR AUDIO. FROM TIME TO TIME THEY BROADCAST IN PARALLEL WITH FEBC. WHEN THIS STATION WAS FIRST OBSERVED YESTERDAY WE HEARD LOTS OF MILITARY-COMMUNICATIONS TYPE CHIT-CHAT. GIVEN THE FREQUENCY AND USE OF SSB, WE SUSPECT THE TRANSMITTER MAY BE LOCATED AT CAMP CRAME. 25/1130Z FEB

MESSAGE NUMBER HK241116 SOURCE Unknown philippine Station in english 1050 GMT 24 Fe

b 86=====

(interview with president marcos by an unidentified correspondent, apparently live, on an unknown philippine Single-Sideband Station, requiring a special receiver to demodulate, transmitting on 7045 khz; transmitter is apparently operating in a Military Network, A Coordinator was Heard Saying ``When I was At Camp Crame Setting Up Communications'' -- passages within slantlines in tagalog)

(Text) Mr President, you are on television and radio.

(Marcos) I see, all right, but I cannot (hear much) but anyway.

I refer to the claim by Enrile and Ramos (words indistinct) control of the entire country (words indistinct), and even the citizenry. I deny this (words idistinct) on top of the military installations

flying over us belong to us. Well, why did they have their helicopters fly away when the jetfighters started flying? I only want to say that (words indistinct) for the statement that they are in control of the military. As you will -- as we will probably have to show, in the next few days and I also wish to state that I am in effective control of the government and, ah, of the military. The fact that they are using channel 4, because they took it by force, indicates that they have been part of the aggressors all along. they claim that, Malacanang was attacked by helicopters. Let me admit that it was attacked but they did not cause any damage to Malacanang. And this is why we say now there is reason for us to rearm with all the power (vested) on us for our disposal.

They attacked, ah, Villamor, (words indistinct) to the 7th Wing. (Words indistinct), having taken Channel 4, and, (words indistinct). I am certain that everybody will understand if we now also -- we now defend ourselves. We have not been retaliating. (words indistinct) to kill our own soldiers, and we still are going to try and prevent too much killing but we now have to take action. (words indistinct) the next few days.

(question) Mr President, it has been said around town, many people would like to be clarified and informed whether or not you have intentions of keeping the communication lines open between you and former Defense Minister Juan Ponce Enrile and General Ramos. Do you intend to keep your lines open with them for a dialogue?

(Marcos) Well, although they have actively now engaged in

and the laws are concerned -- but I am willing to talk to them. I
am available any time.
